

How to edit the Website

The easy way

Don't want to do it yourself? Just email me and I can do it for you.

suggestions@lbssmun.com

OR on a school laptop:

1764148@fcpsschools.net

OR on a phone:

[7036565658](tel:7036565658)

This is the recommended way. Proceed if you want to do it yourself.

How to edit the Website

Using GitHub. This cannot be done on a school laptop. All steps after this assume use of a device without FCPS blocking.

The future of building happens together

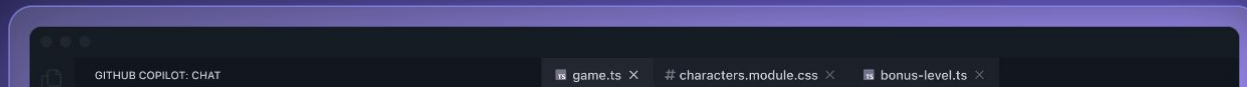

Tools and trends evolve, but collaboration endures. With GitHub, developers, agents, and code come together on one platform.
